There are a total of 6 sections and 1 bonus section. Instructions and information on grading are briefly indicated at the start of each section. Answer to the best of your abilities **and pay close attention to the instructions and grading information.**

**If you are uncertain about anything, state your assumptions and answer accordingly.**

## Multiple choice (single answer)

*Instruction:* Pick the *SINGLE* correct answer.

*Grading:* A correct answer is worth 1 point; an incorrect answer is worth -1/4 point.

---

## Multiple choice (multiple answer)

*Instruction: Pick ALL the correct responses; for each question there will always be at least one correct response.*

*Grading: A correct response is worth 1 point; an incorrect response is worth -1 point. The minimum score is zero i.e. you will NOT receive less than zero points on any question regardless of how you answer.*

---

## True / False

*Instruction:* Indicate whether the statement is TRUE or FALSE.

*Grading:* A correct response is worth 1 point; an incorrect response is worth -1 point.

---

## Short Answer

*Instruction: Answer each question to the best of your abilities.  
Each response should require a maximum of 2 – 4 sentences or less.*

*Grading: Every question is worth 5 points except where otherwise noted.  
A complete and correct response is worth the full point value; an incorrect or empty response is worth zero; partially correct responses may be awarded partial points; you will NOT receive a negative score on any question.*

---

## Fill-in

*Instruction: Fill-in the blank with the correct response.*

*Grading: Each correct response is worth 5 points; a partially correct response may be awarded partial points.*

*You will NOT receive negative points for an incorrect response.*

---

## Essay

*Instruction: Pick ONE essay question to answer; your response should be at most 2 to 3 pages in length.*

*Grading: Your response will be graded based on its correctness, completeness, attention to detail etc. The essay is worth 50 points.*

---

## BONUS

*Instruction: Answer the question to the best of your abilities. This is an opportunity for you to demonstrate what you have learned by constructing and supporting a logical argument. **There is no right or wrong answer.** You will be awarded bonus points based on how sound and **relevant** your arguments are, how well you support your statements, and the originality of your ideas.*

*Grading: You can receive up to 10 bonus points. This question is NOT mandatory and you will NOT lose any marks if you don't answer or answer poorly.*
